SUNDAY, AUGUST 22nd

6:00 to 8:00 AM

Courses open for walking

7:55 AM

Driver's meeting

8:00 AM

Timed runs begin

Trophies will be awarded in each heat after completion of timed runs and work commitment on Sunday at the event site.

This schedule is for informational purposes for those of you who may want to come and watch the event, even though we could sure use your help working it. The students attending the Steward's School on Friday night will work the event as Stewards on Saturday; the Saturday night students will work the event on Sunday. For drivers this will count as your work commitment for the event, for one day only. The other day you are expected to fulfill a regular work assignment.

Speaking of the Divisionals - I'm not kidding about those membership cards. I got an entry the other day from a person who (according to the National Office) is no longer a member after July 31, 1982. The event is in AUGUST. Check your card NOW.

# EDITOR'S NOTES

The Des Moines Challenge will be put on by a member of Nebraska Region who used to be a member of Des Moines Valley Region, Molly (Riley) Anderson. It should be interesting to see who wins (just kidding Molly). We are the defenders this year, so come out and defend. There have been several questions as to which classes we will be using for the event. The answer given by the Board at their July meeting was: We will be using the experimental classes just like we have been doing all year for our regular events, including the street prepared classes. Remember, for the Divisionals, we will be using the Solo II classes straight from the book. If you discover that you have entered incorrectly, please let me know as soon as possible.
